

Proposed Drawing Amendments

In FIG. 5, element 192, recited in the Specification as a low water float switch, at line 24, page 12, was mislabeled as element 150. A replacement FIG. 5 has been amended to effect this change. No new matter was added to FIG. 5. An Annotated Drawing Sheet is attached herewith the amendment indicated in red. A Replacement Drawing Sheet including FIG. 5 is also attached herewith.
